## Case #1

For the sake of the victims privacy, their real nickname was redacted in all evidence with the color red, this document is going to refer to them as "Jane".

Nailgun World is a server that was promoted multiple times on TCF.

At the time of this happening, Boxy was 21 years old, Kity was 19 years old, and Jane was 17.

And your life's gonna revolve around being my perfect little cock slut before you even know it...

## Case #2

Other things that we can present about Boxy publicly, he's a rapist, he's a nazi, expressing traits like transphobia, wishing to commit a school shooting as well as having an obsession with school shooters.

ash 05/08/2024 11:59 PM

in style

or as in style as it can be

ash 05/08/2024 11:50 PM

Getting somewhere

Kity confirms everything in our dm's

**WITCHDAGGER** 30.07.2024 03:58

i love having trust issues!!!

i was shaking like crazy that night

cried like 2 times

**kity** 30.07.2024 03:59

God I'm sorry, I can imagine

**WITCHDAGGER** 30.07.2024 03:59

honestly i kinda blame myself for getting into it in the first place

**kity** 30.07.2024 04:00

Victims tend to blame themselves

I did

Multiple times

**WITCHDAGGER** 30.07.2024 04:00

is it related to boxy..?

**kity** 30.07.2024 04:01

I can honestly think of like over 5 situations but at least 2 are boxy

I can list off a bunch of adjectives that describe him

**WITCHDAGGER** 30.07.2024 04:01

sure

**kity** 30.07.2024 04:02

Racist, transphobe, rapist, groomer, manipulator  
pedophile, incel, antisocial, school shooter,  
uhhhhhhhhhhhhhh

**WITCHDAGGER** 30.07.2024 04:02

you dropped

a lot

wow

**kity** 30.07.2024 04:02

When you put it all together it's kind of hard to defend him

**WITCHDAGGER** 30.07.2024 04:02

unpack

**kity** 30.07.2024 04:02

Which one

**WITCHDAGGER** 30.07.2024 04:03

rapist?? pedophile??? school shooter????

the rest im aware of but

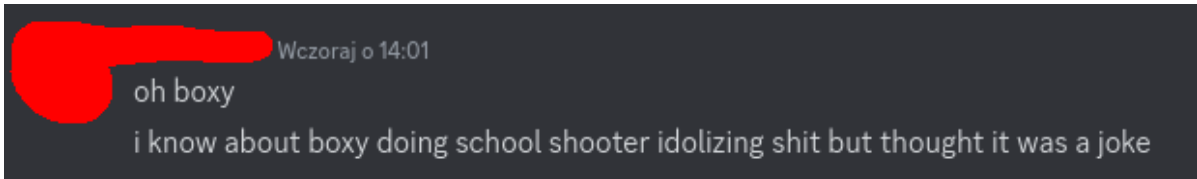

**kity** 30.07.2024 04:03

School shooter: he idolized and thirsts over school shooters often

Weird behavior!

He says he would if he wasn't a coward

One of Boxy's ex friends confirms the school shooter allegations, their name has been redacted for privacy.

**kity** 30.07.2024 04:04

Lololol

Rapist: he's raped two or three people that have visited him

**WITCHDAGGER** 30.07.2024 04:05

ok no what the fuck

**kity** 30.07.2024 04:05

The entire thing is confusing I've heard all ends

He fucked up bottom line

But they were all expressing rape fantasies so it got muddy

**WITCHDAGGER** 30.07.2024 04:06

but like he

was proud of it or something?

**kity** 30.07.2024 04:06

No not at all these were his lowest points afterwards

You could blame him being high I suppose

But these situations caused him to nearly kill himself each time

**WITCHDAGGER** 30.07.2024 04:07

i can get why this happened but  
3 times?

**kity** 30.07.2024 04:07

Yeah that's the fucking issue  
Idk how you let it happen 3 times

**WITCHDAGGER** 30.07.2024 04:07

yeah theres  
something not ok

**kity** 30.07.2024 04:08

If you want to count online interactions (I don't), you  
could also include a number of times he forced me  
into sexual calls when I didn't want too

**WITCHDAGGER** 30.07.2024 04:08

ok no thats def rape

**kity** 30.07.2024 04:08

He is incredibly manipulative

Kity also confirms the pedophile allegations, but trying to sugarcoat it, while also avoiding mentioning that she's too guilty of sexually abusing Jane.

**kity** 30.07.2024 04:10

Pedophile: I'll atleast say it's teen related not little kids

**WITCHDAGGER** 30.07.2024 04:11

thats still bad

**kity** 30.07.2024 04:11

Of course

An issue nonetheless, that he does talk with his therapist about

**WITCHDAGGER** 30.07.2024 04:11

what did he do

**kity** 30.07.2024 04:11

He hasn't done *much*, it's just that the attraction is there

**WITCHDAGGER** 30.07.2024 04:11

oh

**kity** 30.07.2024 04:11

He dated [REDACTED] I could say that atleast

We also know that at one point Boxy meets up with a minor at a hotel, information about this happening is scarce, but we have this picture posted on social media by the victim.

## **Case #3**

I'm also one of Kity's victims. After TCF shut down and Sunshine Tower took TCF's codebase as well as playerbase, i've grown from hating Kity to being very good friends with her, eventually shifting into sexual abuse. At the time of her abusing me I was desperate for any kind of attention and brought into it, i also didn't see an issue in us being together, Kity being 19 while i am 16, but later proven she viewed me in a deprived manner. At the beginning I was expressing that I'm not interested in dating, Kity proposed our relationship to be on terms of "friends with benefits".

WITCHDAGGER 18.08.2024 15:57

 WITCHDAGGER 30.08.2024 17:59  
i love you

I don't wish to share much of it, but we did have sexual interactions.

 kity 22.08.2024 21:56  
yess you may my little pet,, cum for ur owner <333 (edytowane)

kity 22.08.2024 21:57

my pet loves having fun with her owner :3

Few days later I had a breakdown about Kity not giving me the sexual attention that she was giving me before. After this interaction we proceeded to have these types of interactions again, even though Kity admits it's bad for her.

kity 25.08.2024 02:31

maybe we shouldn't do anything sexually  
i don't want this to happen again  
it's most likely bad for me and i've been ignoring that

WITCHDAGGER 25.08.2024 02:34

ok ignoring all that  
why is it bad for you

kity 25.08.2024 02:34

i have issues with liking kids and im sexting a minor

kity 30.08.2024 18:13

i wanna hold ur mouth open and just fuck your face  
you won't be able to speak or think at all

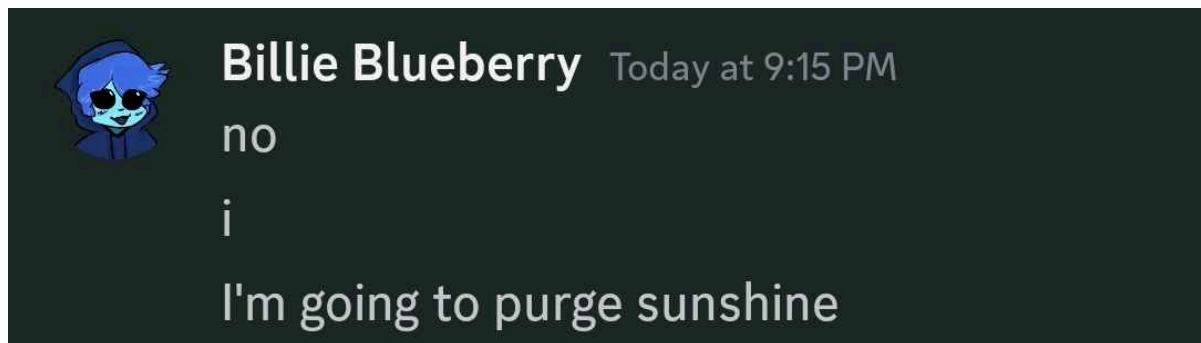

kity 30.08.2024 18:14

my cock going in and out and my body slapping on your little face  
you'd be such a good flashlight  
fuck fuck fuck

About a month later, after getting help from my friends about this, I grew to hate Kity, especially how she has been grooming me into hating everyone on the Sunshine Tower team. Before our interactions I was at least neutral with the members, I feel like she

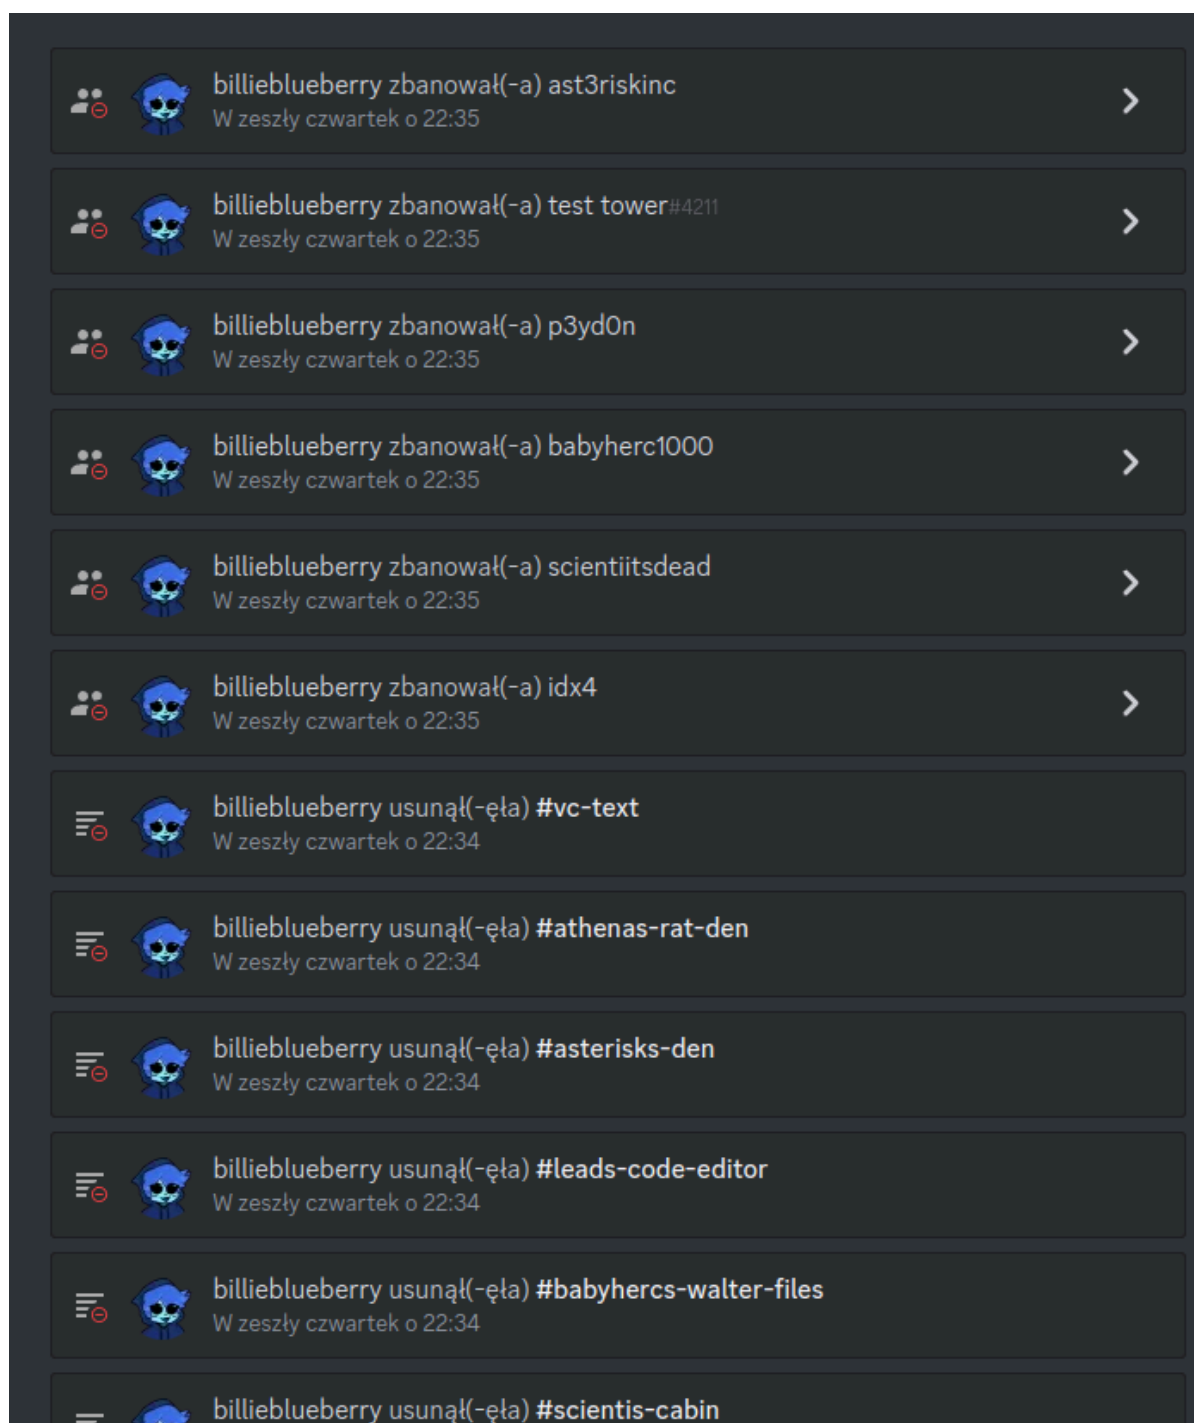

has been trying to manipulate me away from people i could call friends, the same way Boxy did with Jane. I ended talking to her 3 days before writing this document. From that point she has been leading a harassment campaign against me, telling people i knew lies about me, probably with fabricated evidence, i haven't been made aware of what she is accusing me of yet, i wasn't given a chance to defend myself.

One of these people i wish to talk about publicly is Billie Blueberry, she was the first to abuse her moderator privileges on Sunshine Tower to first share screenshots of our administrator chat with Kity, unban Kity from the Discord server, and then threaten to nuke the server, which we were made aware by an anonymous source.

Her intentions were genuine, as proven by the fact she did that to my private server, which she was an administrator on.

I hope this document reaches everyone that was manipulated by Kity or Boxy and the victims, including me, get a chance to defend themselves publicly from all the allegations they might've made against them.

Thank you for reading.

## Edit, 22 September 2024

After publishing this document, a few victims of abuse by Boxy have reached out to me. This edit is dedicated to their stories, they will be kept anonymous for their privacy.

To clarify any confusion, at the time Boxy went by she/her pronouns.

 Wczoraj o 22:49  
i sent in an fbi tip about it idr how long ago but idk if thatll rllly do anything  
okay summary of what actually happened  
i was a longtime "friend" of boxy going back to some of the very first gmt rehposts but we always had a very strained relationship, im kind of an overly forgiving person and there was usually a long stretch of time inbetween whatever thing i had been hurt by and when i decided to forgive them and i kind of just assumed or gave them the benefit of the doubt that theyd be a better person, we had a pretty short but awful relationship in which my boundaries were constantly pushed, she would send me almost nonstop talk about raping and abusing me without much affection and when i got uncomfortable and felt like backing out she paid to fly me up to indiana where she lived. and yeah pretty stupid decision of me but it was framed like if i Just saw her in person everything would magically fix itself, it didnt and the very first night we were even intimate she gave me highly visible bite marks on my neck while i begged her not to, another time she climbed on top of me after we had a serious argument and while i was still very visibly upset with her she decided the best response would be to push me over and try to use my body to get off while i attempted to push her off and told her repeatedly to stop  
idr know what they go by nowadays like pronouns or whatever but when i knew them they were basically just "whatever makes you most uncomfortable at the moment" because she knew i was a lesbian

its only natural that id take what i want

you cried but i knew youd learn to appreciate it later

after learning your place....

   
dont fucking say shit like that

 **boxybrown**  
what

   
why would you fucking say that

 **boxybrown**  

im not being serious

   
its pretty hard for me to fucking trust that after this week  
i dont want ot do this shit anymore

 **boxybrown**  
sorry i guess

WITCHDAGGER Dziś o 23:33

aye

Dziś o 23:33

hi

idk if maybe you're like, good on hearing any more of this shit but i heard through the grapevine about all that shit with ash and figured id offer myself up for any questions because i am one of her exes that she sexually assaulted in late august of last year  
not trying to be vindictive here but i can back up A Lot of this shit having been very close to them lol.

Dziś o 23:37

so basically she met ash, we ended up in a poly relationship, i flew out to see her  
she was assaulted, im sure shes described her experiences so i wont go into detail

WITCHDAGGER Dziś o 23:37

right

Dziś o 23:37

ash insisted it was all a mistake and a misunderstanding and i genuinely believed her  
and i was caught up in this like, dilemma of wanting to do the right thing and being afraid that ash was innocent but that i was still like, abandoning her  
so, i uh, made the wrong choice  
left to be with ash  
after a while of us dating long distance i flew out to visit her for two weeks  
sorry if im slow in writing this btw

WITCHDAGGER Dziś o 23:38

dont worry about it

Dziś o 23:39

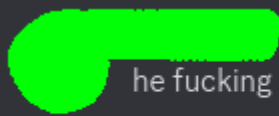

essentially, i got there and for the first like  
just under a week it was fine  
she did some stuff sexually that kind of pushed my boundaries but i was okay with it ultimately  
till one night i has asked her to basically do some like  
cnc, consensual nonconsent type shit to me, because like, idk, i kinda have problems im traumatized or whatever ill save the excuses  
i had essentially asked her to get me high and have sex with me  
under the pretense that we'd play along with it being like, a cnc scene type thing  
but we had two different safe words  
which i figured, she would yknow, stop if i said, because theyre uh  
safe words  
the night after we were hanging out watching fuckin  
sam raimi's spiderman on vhs lol  
and i was bored and we were smoking a lot of weed and i told her i kinda wanted to like  
yknow  
and she essentially pushed me over  
and i was really high so i wasnt fully there and wasnt really processing it as like  
a cnc thing we were doing  
sorry if this is tmi  
but uh  
i asked her to just do hand stuff or use a toy or something and she basically said no  
and then started trying to have sex with me  
and it was extremely painful so i yelled at her to stop like  
screamed no  
and she didnt  
so i said the safe word

after she was already like, having sex with me  
and she stopped for a second but she stayed on top of me  
and kept going like  
"you're so weak i could actually rape you you know that"  
while i was genuinely terrified  
and instead of getting off me she just kept holding me down and i could not get up  
and then she tried to have sex with me again  
and i said the safe word and she didn't stop  
and i basically had to beg her to stop and say the word multiple times and tell her please fucking stop i said the word  
and then she stopped and got off of me and kind of

 Dziś o 23:46  
fucked off for a bit, idk what she was doing because i was laying there still too stoned to think staring at the lights in her room thinking about going home and killing myself  
23:46 basically

 Dziś o 23:47  
atp it is what it is  
but yeah she uh, traumatized me severely  
i deleted all our dms but she has admitted what she did to me was sexual assault  
multiple times  
but she still pretends like she never did anything to  and it pisses me the fuck off  
i can also vouch that she is genuinely attracted to teenagers  
like, she would joke about it frequently and it was not a matter of art or a matter of fiction i went to the mall with her and she started giggling about all of the cute teenage boys there

Purple sent us photos of her and Boxy meeting up, but these will stay private unless necessary.

 Wczoraj o 20:58  
he fucking isolated me from everyone else too  
multiple times

 Wczoraj o 20:59  
everything in this document lines up with what he would do with me

 Wczoraj o 22:46  
just so you know  
a lot of the stuff me and robo did were in fact consensual, and our age gap was actually just 1-2 years apart, and i was the older person in the relationship,  
however, robo very much did make me feel absolutely trapped  
robo went through like 3 new discord accounts during the relationship and now i think i know why  
i can't even count the amount of times he suicide baited me because i didn't talk to him for like 5 fucking minutes
